4 December 2018

Boardroom Media Radio Interview with James Cooper-Jones

CropLogic (ASX:CLI) (“CropLogic” or “Company”) has filed an interview with Chief Executive Officer James Cooper-Jones on Boardroom Media Radio.

The interview is focused on CropLogic’s recent capital raising of 2.6 million dollars and its plans to extend regionally into Australia and the USA’s Pacific North West, with the next CropLogic representative office to be set-up in Oregon, USA. Part of the interview focuses on how CropLogic intends to use the funds to investigate developing target crops including USA’s hemp market.

To access the interview, please click on the following link or paste in your browser:

About CropLogic

CropLogic is an award-winning New Zealand agricultural technology company listed on the Australian Securities Exchange (ASX). After launching its product into Washington State, USA in 2017, CropLogic is currently servicing a significant portion of horticultural growers in this region, with a market share as high as 30% in some crops. Following significant growth (2017-2018) in Washington State and Northern Oregon, in 2018, CropLogic expanded into the Idaho market. CropLogic offers growers of irrigated crops with digital agricultural technology expertise based upon scientific research and delivered with cutting edge technology – science, agronomy and technology interwoven into an expert system for decision support.
